

One day, I was spending time with the Lord. As I began asking questions, He replied with "Ask me this instead..."

The most thought provoking questions emerged that God can't wait to answer and you shouldn't wait to ask.

The answers I received were wiser than King Solomon on a good day!
(The wisest King God raised up.) Each of these questions I asked, revealed God's heart concerning my life.

Take these questions as tools into your secret place with our Heavenly Father.
"Lord, I pray their answers reveal rare and special things they may have never known."

Top 10 *Game Changing* questions to ask God!

.... Here we go!

What is known about me in Heaven according to Your books? Psalm 139:16, Daniel 12:1

What do I believe that *isn't true*?

What is the most important change you would make, if You had my life?

Do I love anything *more than You*?

**How would You raise the standard of my life,
knowing who I'm called to become?**

**Are there missed opportunities that you're reworking
in my life?**

What is Your vision for my life?

**Of all the gifts promised in (1 Corinthians 12:8-10),
which one(s) have you given to me?**

**What can You do right now, to enable me to
“bear *significant* fruit” with Deuteronomy 8:18?**

Pray: I ask that You would begin this process Lord,
and *quicken me in speed* to follow what You will do.
“But remember the Lord your God, for it is He who
gives you the *power to produce wealth*, and so
confirms his covenant, which he swore to your
ancestors, as it is today.” Deut. 8:18

**Will You take the picture of my life and match it with
a “stage”? Pray: Make new connections for me Lord.
Take me to new places and *levels of glory* in Your
picture for my life. Let me see the evidence of Your
power in *my will* to see Yours unfold.**

BONUS Question!!

Heavenly Father; are there any ways in my life I'm not moving in faith?

A prayer for newness.

"Adonai;

There is power in Your name!

You are the way when there seems to be no way.
I trust in You. Make a way for me today Lord."

Move the unmovable ...
and break the unbreakable things in my life that keep my destiny in chains. Connect me now to Your resources of "impossible" grace, mercy and favor in opportunity and in my character. Lead me to become leadership by Your grace Revelation 1:6-9.

**Your life is a *love letter* from God to others.
Modelling that love comes by walking in His.**
